OUR VISION AND MISSION

Our vision is to provide students with a high-quality education that instils excellence and fosters innovation, empowering them to become accomplished achievers and responsible citizens in today's highly competitive world.

- Our mission is to provide nurturing and inclusive learning that prioritizes the holistic development of each child's personality in a clean and safe environment.
- We believe that the journey of education is a lifelong process, and we are dedicated to supporting our students as they grow and evolve into responsible, ethical and compassionate members of society.
- Our experienced faculty open the doors for our students to improvise and innovate.

VISION

OUR PREMISES AND PRINCIPLES

Our School, Kannadivappa International School, has the best infrastructure constructed in two lakh sq. feet with state-of-the-art facilities, located in a lush green sprawling campus on the ECR road . Designed with care, the ethos seeks to nurture learning spaces for 21st century children, blending values with modern technology. Success comes to those who work hard and stays with those who don't rest on the laurels of the past. This emphasises the importance of perseverance and continuous growth. Our school has its own ethos, traditions, and identity. We believe that by fostering a culture of hard work, our students will scale greater heights. We cultivate an environment that encourages truth, love, and respect for all students. The school years are crucial for developing decorum and character, the foundation for achieving excellence. We emphasise the importance of social grace, personal integrity, responsible use of freedom, and compliance with societal norms. We recognise that each student is unique, and we offer opportunities for them to reach their full potential. Parents and teachers work hand in hand to create a supportive community that empowers our students to become accomplished individuals.

ELEVATE YOURSELF

Kannadivappa International School (KVIS) CBSE, is dedicated to providing an exceptional education for every child in our care. We are committed to creating a safe and caring environment where children feel comfortable and engaged in their learning. We believe that children learn best when they are happy and enthusiastic. We aim to encourage their curiosity and help them achieve their full potential. At Kannadivappa International School, we understand that education lays the foundation for our student's future success. Our experienced and highly trained teachers work closely with each child to identify their strengths and areas for improvement, providing tailored support to help them achieve their academic goals. We passionately provide our students with a well-rounded education, including a broad range of extracurricular activities that promote creativity and teamwork. The nurturing and stimulating environment inspires a lifelong love for learning in our students. We lead them to success in all aspects of their lives.

"Education is not the filling of a pail but the lighting of a fire"

This quote highlights the importance of igniting a passion for learning in students rather than simply providing information. Our school recognises the importance of the 21st-century learning skills commonly known as the four C's: critical thinking, communication, collaboration and creativity. Our School education system based on International Standards is fully committed to implementing the NEP standards in all aspects of our academic, co-scholastic and technological programmes.

WHY KVIS?

- Our Kindergarten emphasizes the play way method and social interactions as part of acclimatizing the kids to their new atmosphere.
- The school campus is an English-speaking zone; our English Lab facilitates the kids to build vocabulary and communication.
- Hands-on learning activities are created for the students to acquire confidence and mastery in their subjects.
- Leadership skills and personality development are taught through outdoor training programmes and adventure camps to generate student dynamism.
- Upgraded Audio Visual (AV) room is synchronized with the respective subjects to enhance long-term memory.
- Training in Extracurricular and Sports activities like Athletics, Volleyball, Tennis, Shuttle, Chess, Carrom etc., provide opportunities for students to participate in tournaments.
- Every week, learning will be monitored and checked. If the desired outcome is not present, teachers will teach the topic again.
- Parents will be made aware of our curriculum and assessment framework periodically through PTMs.
- Our well-equipped English, Science and Math lab initiates inquiry-based experiential learning
- Inter-school competitions will be encouraged.

"Our school is a home away from home!"

We give our students a vista of avenues to grow their roots and wings to fly.
Our motto is "Read and Reflect."
Let us hold hands and reach the stars.
